Writes on This Subject.
(By Associated Press.)
PHILADELPHIA, PA, May 4.—The
Saturday Evening Post (May 7th) will
contain an article contributed by exPresident Grover Cleveland on "The
Cleveland Bond Issues," in which he gives
the history of "the issue of United States
bonds in the years of 1894, 1895 and 1896
for purpose of replenishing the stock of
gold in the public treasury."
Mr. Cleveland holds that legislation in
favor of silver colining and the effort to
maintain the parity of silver and gold
were greatly responsible for the reduction
of the gold reserve, and that "under the
law of 1890 the burden upon the gold reserve was tremendously enlarged."
